

My Community & Society

Help create a thriving community that is safe and promotes the wellbeing of all its residents.

Hello Community Builder Thank You for your Service!

You've come to the right place because you're a **changemaker** looking to create a positive impact in your community!

Making a difference doesn't have to be a lonely journey.

We are here for you!

Our Three Key Goals

Creating a safer
community for
all residents

Empowering the
community to re-
imagine and co-
create our
neighborhoods for
future generations

Embed the spirit
of community

Community Safety

01 Resident Crime Reporting

Help your community to understand the challenges better by allowing them to report crime incidents in 1 place.

02 VPC for data insights management

Share crime hotspot data with the entire community in real time and track crime patterns to help keep the community safe.

03 Proactive Policing & Security Deployment

Share your community data to all key stakeholders so that they are able to mobilise their resources to the right place at the right time.

Community School Volunteer Program

-
- 01 **Structured Volunteer Program** Mobilise the youth in your community to create civic awareness
-
- 02 **Tech enabled volunteer management** Local residents report community problems and community leaders can mobilise youth volunteers to assist.
-
- 03 **Volunteer Support** We help teach learners and parents that civic duty starts within the community. Let youth earn their community service recognition points with ease by making a difference in their community.
