## **Solutions**

Smart Communities empowers Precinct and Property Managers to effectively communicate and manage stakeholder needs using our tech and data enabled platform which allows you to:

- Empower stakeholders with an app to report issues related to safety, environment and service delivery
- A payment portal to collect and track monthly contributions
- Ability to issue Section 18A tax certificates for contributors
- Effectively market yourself to non contributors and drive sales by demonstrating the value you add
- Coordinate precinct events
- Reduce noise on WhatsApp groups by providing your stakeholders with the right information when they need it
